Orientation and welcome week begin on August 19, 2019. Milano orientation events to be announced.

## **FALL SEMESTER BEGINS**

Monday, August 26, 2019

## YOUR FIRST SEMESTER

Full-time students normally take three to four courses (9-12 credit hours) per semester. A typical first semester schedule consists of one core course (Econ or Quant), Theory and Practice of Nonprofit Management and one or two other program courses.

Part-time students normally take two courses (6 credit hours) per semester. A typical first-semester schedule consists of one core course (Econ or Quant) and Theory and Practice of Nonprofit Management.

Given the time commitment required for graduate study 6 credit hours is the maximum course load recommended for working professionals and 12 credit hours for fulltime students.

You may need to take a certain number of credit hours to maintain eligibility for student loans, some scholarships, etc. *Know what is required.*

Transfer Credit and Core Course Waivers All requests for transfer credit and core course waivers are considered on an individual basis and approved by the Chair. The total number of transfer credit hours that can be applied toward the degree is 9. Typically core course waivers are given to students who have recently mastered a significant amount of related subject matter. Waiving one of the core courses requires that students still complete 42 credit hours. To learn more, please contact Chair Latha Poonamallee [poonamal@newschool.edu](mailto:poonamal@newschool.edu),
